Notice

This is to bring to your notice the fact that according to UGCF curriculum, a student should have scored 28 credits in order to ensure that he/she is awarded a *minor* in his/her second core discipline. For this student will have to clear an additional DSE paper in his/her second core subject till the 6<sup>th</sup> semester.

For example, if the student has History +Political Science the student should have scored 28 credits in Political Science till his/her 6<sup>th</sup> semester (6 DSC's till the 6 semester-24 credits + 1 DSE in either the 5<sup>th</sup> or 6<sup>th</sup> semester-4 credits making it 28 credits) in order to make Political Science a *minor*.
